### STATE ELECTION.

PELECTION TUESDAY, OCT. 110.1 FOR GOVERNOR. WILLIAM MEDILL, of Pairfield. LIEUT. GOVERNOR. JAMES MYERS, of Lucas. SECRETARY OF STATE. WILLIAM TREVITE, of Franchia. THEASURER OF STATEL JOHN G. BRESLIN, of Somera. JUDGE OF SUPREME COURT. THOMAS W. BARTLEY, of Richland. ATTORNEY GENERAL. GEORGE W. McCOOK, of Jefferson.

BOARD OF PUBLIC WORKS WAYNE GRISWOLD, of Pickaway.

FOR SENATOR.
LEWIS ANDERSON, of Lawrence.

BOARD OF EQUALIZATION.

GEN. GEO. HOt SE, of Gallia. As the time for election approaches, to be the can lidates to be supported for the Legislature. With us it is not a and hold the buckler over their heads, tor, yet with Mr. Anderson as a standard great difference between the parties, can practices and tendencies," we may nothing without the advice of Russia; usages, relation of state Govrnments to question of so much consequence who the candidates are, as what their qualifications may be. Among certain classes of small politicians the only test of qualification is availabilling, or in other words, who will to the greatest extent comman, the votes of men holding adverse opinions. Such a character can only be found in that class of negative men, who, if they have any opinion of

ment that is going on. In the earlier history of our government, honesty and capability were the't to be among the necessary qulifications of a Legislator; it is not so now, availability has taken the place of capability, and of all the other qualifications which our ancestors thought necessary to fit a man for the work of the Legislature.

and repeal laws forms the highest civil business known to the institutions of men. The capacities of a Legislator should be as emple as the interests of the State are diversified.

indispensible as these two qualifications Burlington. are, but he should have a knowledge of entire nation. The Education of the people, civil and political jurisprudence a policy in respect to the tenure of lands and the quantity that any individual shall acquire; laws for municipal goverument of towns and cities, the regu lation of our great mesh-work of Railroads, of taxes, supervision of the canals of the school lands, and of our public debt, are some of the subjects of legislative care and responsibility.

Now, will any contend that a man entirely unacquainted with these and many other matters of Legislation, is a fit person to go into the Legislature .--

The farmer, the mechanic, the engineer, the physician, and the merchant,
